ARCADIA
YACHTS

A scenic view of a coastal town, likely Dubrovnik, with a statue in the foreground. The statue is a classical figure, possibly a deity or hero, standing on a rocky outcrop and pointing towards the sea. The town is built on a hillside, with white buildings and greenery. The sea is a deep blue, and the sky is clear. In the distance, there are rocky islands in the water.

A RENAISSANCE OF SAILING

From a gulf that is an ancient cradle
of sailing traditions and culture,
from a land with a long tradition of hospitality.

A close-up view of a boat's interior, showing the wooden structure and the sea through the windows. The sun is shining brightly, creating a strong glare on the water. The boat appears to be a traditional sailing vessel, with a wooden hull and a simple interior.

A RENAISSANCE OF YACHTING

Boats without boundaries, where the interiors
blend into the panorama and let in the light,
sounds and scents of the sea.

A RENAISSANCE OF TECHNOLOGY

More respect for nature, more comfort
living together, more sensitivity
to rediscover the sea.

A RENAISSANCE OF THE HUMAN BEING

In the midst of a new voyage,
on a course taking us farther than ever
before, surrounded by wonders.

OUR HERITAGE

ARCADIA YACHTS identifies with the values of a culture thousands of years old, a culture that has made its mark on history, art and architecture, characterised by a love of beauty and good taste and by the joy of sharing. From ancient Pompeii to the Maritime Republic of Amalfi, from the Neapolitan Renaissance to the city's traditional cuisine: ARCADIA YACHTS was founded in a place where the people cherish beauty.

sherpa xl

New dimensions in yachting. An agile pocket-megayacht developed to offer unexpected space to enjoy life on board, thanks to its unique features.

and expansive open spaces.

OUR SHIPYARD

Every renaissance begins in a specific location.

The ARCADIA YACHTS renaissance begins in its shipyard, the centre of Arcadia's design and shipbuilding work, where it all happens: from the lamination of hulls and fibreglass to woodworking and finishing. An advanced, energy-efficient facility extending over a 36,000 sqm area in the Gulf of Sorrento, a renowned centre of shipbuilding. Since ever.

What really counts at sea
is knowing where you are
and which direction
you are heading in:
ARCADIA YACHTS has set its course
for the future, with the sailors
of today and tomorrow.

ARCADIA AWARDS

This brochure in no way constitutes a contract of sale for the boatyard's vessels to any person or company.

All information contained herein, including but not limited to technical and performance data, illustrations, and drawings, is non-binding and for purposes of illustration only.

The information in this brochure refers to the boatyard's standard motoryacht models available as of the date of publication.

Technical and descriptive information is valid only to the extent that it pertains to the specific vessel that is the subject of a purchase.

Contract terms are valid only to the extent that they are contained in a contract of sale.

This document is based on information available at the time of publication.

Despite efforts to ensure the greatest possible accuracy, the information contained herein may fail to cover all details, omit technical or commercial changes that may have been made subsequent to publication, describe features that are not present, and fail to envisage all circumstances that might occur.

Any illustrations, photographs, diagrams and examples shown in this brochure are included solely for the purposes of illustrating the text.

Due to the different features of each vessel, the boatyard assumes no liability for actual use based on the illustrated applications.
