SEEKING A DREAM, MAKING A WORLD

In 1969, Robert and John Braithwaite were two brothers with a dream – to create a boat to surpass anything made before.

That same year, the Braithwaites built the first Sunseeker. It was the seed of a whole new world.

Steadily and surely, the brothers grew their business from their small shipyard in Poole on the south coast of England.

Always seeking better boat building techniques, each craft became more ambitious, more creative – and consequently more successful – than the last.

Now, 50 years on, Sunseeker International has over 80 dealerships networked around the world, delivering over 150 boats a year globally.

EXCELLENCE. ALWAYS

When the Braithwaite brothers started up the engine of a small, open-cockpit speedboat in 1969, it wasn't just the Hostess 17 that roared into life. It was a new standard of yacht making.

Today, their passion to exceed boundaries is as strong as ever before, brought to life by a team of over 2,000 highly skilled designers, engineers and master craftsmen.

Bold new creations like the 155 Yacht keep us pushing our standards ever further, year upon year.

Just as we have always done.

The flagship 155 Yacht is the epitome of our tireless precision and attention to detail. It is this ceaseless desire to always excel in every detail that gives every Sunseeker its vital presence, performance and luxury.

THROUGH INNOVATION COMES EXHILARATION

Intelligent innovation is the philosophy that rules everything we create.

It is why we have become the only manufacturer to produce a luxury yacht range from 50 to 155ft under one name.

Our in-house design team, still steadfastly guided by John Braithwaite, is at the vanguard of marine design, technology and engineering excellence.

It is a dream team with the incomparable vision, confidence and skill to continually innovate our boat design – to create ever more thrilling experiences and adventures. Invention for inspiration.

It is the simple reason why customers the world over await the next Sunseeker with such anticipation.

Because the world knows every new Sunseeker promises innovation that truly exhilarates.

100 OVER 100^{FT}

It is a landmark that signals a bold new age for Sunseeker.

A milestone that measures the sheer breadth of our range of exceptional yachts, built upon a heritage of innovation and craftsmanship spanning 50 years.

On 9 September 2015, we held an exclusive celebration at Cannes Yachting Festival to recognise the delivery of our 100th luxury performance yacht in the 100ft+ superyacht category.

It was summer 2000 that we first launched a model over 100ft long – the unforgettable 105 Yacht, which went on to win two of the world's most prestigious accolades in the International Superyacht Design awards. It was the first step in our journey to become a major player in the superyacht sector.

Amazingly, it has taken just 15 years to reach our newest milestone.

Today, we produce around seven 100ft+ yachts every year. Our range now encompasses boats from the powerful 101 Sport Yacht to the majestic flagship 155 Yacht, with a world of bespoke options in between.

And of course we're always seeking more. With each new creation, a new best is born. Blending cutting-edge technology with traditional handcraft to create yachts that inspire and delight.

EXCEPTIONAL CRAFT, PROUDLY HANDCRAFTED

A hawk's eye, expert hands and a devilish attention to detail.

Passed from generation to generation, these are the most important skills required to make a Sunseeker.

In an age of digital production and automated assembly, we stay committed to creating hand-built, hand-finished boats – for one simple reason.

There is no better way to craft such an exceptional product.

Inside and out, the extraordinary detail, finish and sheer artistry of our yachts can only be achieved by human qualities.

And, most importantly, no machine can ever give our boats such spirit, or take such pride in their creation – a vitality passed on to every owner.

MAKE IT YOUR SIGNATURE

Your signature is truly unique.

No-one else has one quite the same. And so it should be with your very own Sunseeker.

Which is why we have our truly unique Bespoke service, offered for yachts 100ft and above. It offers you something truly unique. A blank sheet of paper for you to create a yacht personalised in any way you wish.

From floor plans to unique furnishings, your imagination and passion can be fully expressed.

With some of Britain's finest in-house interior designers at your side, you can choose materials, fabrics and finishes to reflect your unique desires and individuality.

To give your Sunseeker something no-one else can. Your signature.
