660 SPORT YACHT

660 Sport Yacht

A MASTERPIECE OF CRUISING COMFORT.

The 660 Sport Yacht is a true masterpiece of on-water performance and live-aboard comfort, with the distinctive lines, beautifully designed interior spaces and unique hull form that define the Marquis experience. This three-stateroom yacht boasts beautifully appointed master, VIP, and guest accommodations. Its stunning open salon shines with warm woods, lustrous satin finish, expert joinerwork, and premium materials. Natural light pours through large windows, and sliding doors lead to an elegant cockpit and, via descending twin staircases, to a gracious swim platform. The fully equipped galley lies just steps away, and an integrated lower helm station provides additional cruising convenience.

Aboard the 660, owners will find much more than world-class fit and finish, however. Perfectly matched twin diesel engines and joystick-activated pod drives, coupled with the 660's sleek hull design, ensure unmatched performance. And the views from the bridge, whether you're at the helm or relaxing with refreshments in a luxurious lounge seat, are nothing short of awe-inspiring.

The definition of a masterpiece: a work of outstanding artistry, skill, or workmanship. And the 660 Sport Yacht hits the mark on every level.
