

GREENLINE | 33

WELCOME HOME

The design of the Greenline 33 completely redefines user-friendliness in a boat and is changing the way you will spend your leisure time at sea.

Conveniently arranged interior, excellent visibility, plenty of natural light and room to move around comfortably - are all features that have never been offered on a 10-meter family boat before.

Sheltered cockpit and side decks

Opening bathing platform

 Natural light and 360° panoramic view in the salon

Adaptive owner's cabin 

 Twin-access, high-volume bathroom

GL 33

* Displacements are calculated with 50% fuel and water plus liferaft but with no optional equipment or other gear fitted.
** Depending on selected equipment and propulsion.
*** Maximum speeds will vary depending on cleanliness of hull, condition of stern gear, craft load, water and air temperatures, sea conditions and other factors. Speed estimates are therefore given in good faith but without any warranty or liability on the part of SVP Yachts.
For more information and detailed standard specifications please contact your local dealer.
