

700

SKYDECK

THE SKY IS THE LIMIT

The Skydeck keeps the sporty profile of the Raptor

The top deck with sunbeds and second helm

The 700 Skydeck enhances functionality of the Raptor without compromising any of its sleek design.

The Galeon 700 is in a league of its own. The saloon doors, one of its key features, slide swiftly and quietly into the deck to create a vast common space with the stern area – perfect for leisure and relaxation. Flawless finish, high-end equipment, and exhilarating performance speak for themselves. The roof-mounted steering, complete with two passenger sun beds, is a marvelous

addition to an already stunning model and allows extra visibility in tight marinas and canals. This model was the proud winner of the 2010 World Yacht Trophies in the “best design” and “most innovative” categories for yachts under 24 meters. The 700’s interior lighting will leave you dazzled: ambient and discrete, eye-catching – but not distracting. Dispersed illumination supports bright and clear LED lights for an elegant atmosphere on board. The remote-controlled floor lights with variable color schemes provide the final touch of luxury.

The hydraulic platform will handle water paraphernalia

SKYDECK

Sunshine bathes the main deck through the large glass panels and windows and with the push of the button the remote-controlled blinds offer privacy and protection from the sun. The automatic garage and stern platform systems allow for easy, one-person operation of rafts, tenders and personal watercrafts. The Humphree's Interceptor System actively manages optimal trim to reduce resistance and wave-making. Galeon 700 can be equipped with twin 1500 horsepower engines and top-of-the-line electronic systems, from navigation systems to custom on-board entertainment. Precise finish, hand-crafted materials, and comfortable leisure areas create a welcoming and luxurious atmosphere on board.

Award winning design of the 700 Skydeck

The ladder drops down automatically for easy top deck access

A spacious interior is modern and bright

The owner's quarters with en suite bathroom

Entertainment area in the owner's cabin
